Executive Summary

Empathon Autos is a registered Nigerian automotive company specializing in vehicle imports, pre-orders, and sales. Founded in 2019 on the principles of transparency and customer satisfaction, we are dedicated to helping individuals and organizations acquire quality vehicles that offer genuine value for their investment.

Over the course of our operations, we have built a steady reputation for reliability through the careful sourcing of foreign-used and new vehicles from reputable global brands, including Toyota, Mercedes-Benz, Hyundai, Electric Cars among others. Our team takes time to understand each customer's specific requirements and guides them through every stage of the acquisition process, making vehicle ownership straightforward, stress-free, and well-informed.

As we grow, we remain committed to expanding our vehicle portfolio, maintaining strong customer service standards, and integrating fuel-efficient and eco-friendly options in support of sustainable mobility practices.

Business Objectives

Empathon Autos is focused on achieving sustainable growth in vehicle sales through the development of a diversified portfolio serving both private and institutional clients. We are committed to strengthening our operational capabilities, expanding our service offerings, and building the kind of trusted reputation that supports long-term partnerships both within Nigeria and with international stakeholders.

OUR MISSION and Vision

Mission Statement

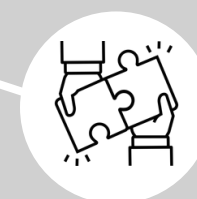

To simplify the car ownership journey by delivering reliable vehicles, honest guidance, and tailored solutions that meet the evolving needs of modern drivers.

Vision Statement

To become Nigeria's most trusted automobile company, setting a consistent standard for how vehicles are sourced, sold, and experienced across Africa.

Core Values

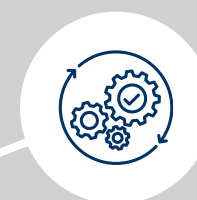

Integrity

We prioritize honesty and transparency in every interaction, ensuring clients make confident, well-informed decisions.

Customer-Centric Service

We go beyond selling vehicles; we listen, understand, and deliver solutions that genuinely fit each customer's needs.

Continuous Improvement

We consistently refine our processes and practices to create better experiences for our customers and partners.

Innovation in Mobility

We embrace smarter, more efficient ways for people to access and own vehicles in today's evolving market.

OUR SERVICES

Auto Sales — Brand New & Pre-Owned

We offer a curated selection of new and pre-owned vehicles, each assessed for quality, performance, and market value, giving every buyer confidence in their purchase.

Vehicle Pre-Orders

We source vehicles locally and internationally based on client specifications, managing the full logistics process to deliver the right vehicle with minimal stress to the customer.

Consultation & Advisory

Our team provides honest, expert guidance to help clients make informed decisions aligned with their budget, lifestyle, and long-term ownership goals.

After-Sales Support

Our commitment to customers extends beyond the point of sale. We offer continued guidance and assistance to support a smooth and reliable ownership experience.

WHY CHOOSE US?

Diverse Vehicle Selection

Our inventory spans a wide range of vehicle types from compact cars and sedans to SUVs and trucks accommodating varying needs and budgets across both new and pre-owned categories.

Quality-Assured Inventory

Every pre-owned vehicle undergoes a thorough inspection, accident free and reconditioning process before being made available for sale, ensuring each unit is road-ready and dependable

Direct Import Access

We specialize in vehicles imported directly from verified sources abroad, giving our customers access to high-demand models that meet international quality standards.

Transparent Pricing

Our pricing is benchmarked against current market rates to ensure fair and competitive value on every transaction. There are no hidden fees or undisclosed charges.

Continuous Improvement

Our logistics team manages the complete handling and delivery of each vehicle, ensuring it arrives in excellent condition and within agreed timelines.

Dedicated Customer Support

From the first inquiry to final delivery, our knowledgeable team is available to guide every client through the process with clarity and professionalism.
